

The fixtures now complete for 2012 now and are available to members on the website now. You may notice a few changes to fixtures and one or two matches have been removed. We have a match at Saunton again this year against the RAF which is sure to be a popular fixture and you will notice that most matches are now 10 a side, so we are hoping for some good support from our members for 2012 and not so much difficulty getting teams.

The only matches to remain as 12 a side are RAF and Tiverton.

THE AGM WILL BE ON FRIDAY 3RD FEBRUARY AT 1715 HRS AT PILTON.

Mitch is retiring in the summer and will be moving away so we need a new treasurer. I will be standing down as Secretary at the AGM as well, so if you are interested in taking on either position (ideally the secretary should be a member at Ilfracombe but this is not essential) please let me know asap.

The role of Secretary can involve some website lessons too if you like !

Please do your best to attend.

In the meantime get the fixture list from the website and send your availability in ASAP.
