

The idea of these pages is to run the Society with the least possible fuss and with the most possible efficiency! I will try to do my bit by keeping it up to date and informative - all you have to do is keep coming back and take part while you are here - If you want to contribute an article to the site, you have something to sell or just post something in the forum then get involved and sign up.

Where would you like to play?

The Society plays all over North Devon with Ilfracombe as our home club. We go to Tiverton, Royal North Devon, Portmor, Saunton, Dainton Park, East Devon, Minehead and occasionally others.

- You dont need a handicap.
- You dont have to be a Golf Club member.
- Annual Society membership is only £15
- It will only cost you £15 per match (occasionally that will include travel by minibus!) To include a great meal. The remainder is paid by the Society.
- You will need a tie - but we will flog you one of ours!

If you are interested contact anyone who is a member - why not start with the contact page.
